SALA Exhibition “Evolve” by Céline Donegan

On a cold wintery night on the 3rd of August STARS held their opening of a SALA Exhibition featuring works by Céline Donegan, a local artist who has previously exhibited interstate and overseas.

Sixty people braved the elements making the evening a huge success.

The quality of Céline’s work, demonstrating much colour and clever technique, was very much appreciated by an enthusiastic audience.

The exhibition was opened by Petra de Mooy, Managing Director of Fleurieu magazine.

Céline Donegan

Once again, Waverley Homestead came alive with a blaze of colour.

The exhibition will continue each Saturday and Sunday until end of the August.

Ron and Shannon Watts

Since the Launch of "Evolve", SA Life Magazine has featured an article by Céline, one of six artists chosen from the hundreds exhibiting for SALA in S.A. In it she talks about her reasons for choosing STARS as the venue for her exhibition.

It is a lovely story about how Southern Theatre and Arts Supporters cares about the community and endeavours to showcase the arts in the Fleurieu as well as assisting emerging artists with their careers.

STARS Committee is very grateful for the exposure given through SA Life and in addition to that publication, Fleurieu Living may include some of the Launch photos in one of their future editions.
