SWINGING ON A STAR 2017

HELLO FROM THE CHAIR

SWINGING ON A STAR was launched on Feb 4 at the Show Hall in Willunga. The Committee and friends of STARS prepared the Show Hall with lighting, beautiful flower arrangements and great platters of food.

The launch featured members of the Adelaide Youth Orchestra including Lucinda Machin (Liz and Peter Elders' granddaughter) who played beautifully while people arrived.

The Fleurieu Singers then presented some of their beautiful pieces with Judith Barr introducing them. It was time for Lucinda Moon to Launch the Programme, interspersed with her performance of Telemann Fantasies, on her 300 year old baroque violin.

Lucinda was delighted to be back in her former home Willunga and thanked STARS for support for her over the years as well as bringing great artistic endeavours to the area. Her gracious and casual style captivated the audience as always.

I was delighted to introduce Guy Ross from Adelaide Symphony Orchestra who came down to see what STARS is all about. Guy is new to ASO and this year has a lot of challenges ahead, not least being the closure of Festival Theatre from June. He is impressed with our tenacity and organisation and is looking forward to working with us to present a beautiful concert in October at Tatchilla College. (Details in further issues of this publication)

The 2017 Launch had a feeling very like Waverley Homestead and we are settling in to Rec Park Inc. where some events will be held. There will be two events at Coriole thanks to Libby Raupach and Mark Lloyd, great supporters of STARS.

We hope that you the members are excited and looking forward to joining us at the events in 2017.
